Possibilité de traitement anti-feu

Le Taurillon Arbola est un article pleine fleur imprimé et d'aspect brillant, mis en valeur par une patine à la main qui lui donne un double ton très naturel. Il se décline en 5 catégories : Galuchat et Croco qui sont des grains fantaisies, Zouc, Madison et Charleston qui sont des grains plus naturels et permettent une uniformisation de la peau. Proposés dans une large gamme de coloris, ces cuirs s'adaptent bien dans des domaines comme la mode ou la décoration.

Utilisations

Grâce à ses différents grains le Taurillon ARBOLA peut être utilisé dans de nombreux domaines :

Maroquinerie / Petite Maroquinerie
