TAURILLON
Lagun

Article

Origine : Europe

Espèce : Taurillon

Tannage : Minéral

Teinture : Au plonger

Finition : Cuir pleine fleur, semi-aniline / Grainé et foulonné

Le taurillon Lagun est un article tanné minéral. C'est un cuir pleine fleur semi-aniline. C'est un article épais et « rond » qui rassure l'utilisateur. Sa finition en fait un article uniforme et régulier tout en gardant une souplesse et un soyeux très élégant. Son double ton lui apporte de la vie. Le Lagun est adapté à la maroquinerie et à l'ameublement pour une utilisation quotidienne.

Utilisations

Le Taurillon Lagun & Lagun Métallisé sont utilisés dans de nombreux domaines :
